CERAMICS COORDINATOR MARC CISSELL

Mark has been our Ceramics Coordinator since 2006. He comes to Multnomah Arts Center with ceramic experience from the Mendocino Art Center in California. He worked with renowned clay artist, Torbjorn Kvasbo, in kiln building, and with Steven Hill, making clay and slips for single firings.

Bios for our current instructors are available at: www.MultnomahArtsCenter.org

MULTNOMAH ARTS CENTER is a member of the National Guild for Community Arts Education.

OUR MISSION is to provide high quality instruction and participation in the performing and visual arts to all interested persons, regardless of age, race, religion, ethnic origin, financial means or level of ability.

SCHOLARSHIPS are available to those who require financial assistance. Applications can be obtained from our office.

INCLUSION SERVICES are offered to those with disabilities and special needs so they may receive an equal opportunity to fully participate in programs offered.

The Multnomah Arts Center catalog is published quarterly.

CERAMICS OFFERINGS

For Adults & Teens

HAND & WHEEL—BEGINNING

Explore handbuilding techniques through guided projects including tiles, slab planter, box with lid, and coil vessels. Learn wheelthrowing techniques including centering, opening, pulling and collaring, trimming and using ribs. Glazing techniques such as slip trailing, dipping, brushing, decorating with oxide washes, and using wax resist are also included.

Cover Sculpture by Kicki Masthem

HAND & WHEEL—ALL LEVELS

Experience techniques for shaping, glazing and building while discovering methods for material preparation. Gain insight for mixing the artistic and functional that ceramics can offer.

HAND & WHEEL—INTERMEDIATE

Focus on the art and craft of thrown and handbuilt vessels. Refine a range of techniques. One-on-one instruction to improve throwing with emphasis on teapots, vases, and pitchers. Demonstrations on faceting, scraffito, and wax resist. *Prerequisite one term of ceramics.*

SCULPTURE 3D DESIGN

Bring your ideas alive as you create pieces from vessels to figures and animals. A variety of slab, coiling and modeling techniques will be demonstrated, as well as surface decoration and glazing. Learn about ceramic history as you develop your creative style.

HAND & WHEEL—FOCUSING ON FORM

Design traditional and non-traditional pieces for presenting food. Demonstrations will be on making dinnerware and serving pieces, using classical throwing and /or handbuilding techniques.

SLAB CONSTRUCTION

Craft large hand built forms utilizing the fundamentals and techniques of this method.

HANDBUILDING FOR SENIORS

Craft handbuilt bowls or sculpture while exploring pinch, coil and slab forms. Learn ceramics fundamentals in a creative, nurturing and fun environment. *Does not include Open Studio.*

GETTING THE MOST OUT OF GLAZES

Get out of your glazing rut and expand your creativity. Using MAC's glazes and stains, explore glaze application and techniques. Create a set of test tiles and learn how to interpret the results.

SPECIAL GUEST ARTIST
