

Materials List

Saturday, July 16, 10:00 - 4:00

Sharon Geraci

Abstract Design with Mixed Media

This will be a full day of design exercises and discussion about composition. We'll examine pieces by various artists to discern the elements of composition and how they have used them. Through the exercises we will break down these elements and explore different strategies to construct successful pieces. The day will also include simple methods of making image transfers from photocopies.

▼ *Supply List*
