• @multnomaharts • 503-823-ARTS

Discover multiple methods for making and using image transfers and expand your creative horizons with photo alteration. Transfers are a valuable resource for incorporating representative imagery into your abstract work, and each method provides a unique look. Printed photos are superb starts for true mixed media gems. Mixing and matching techniques with different surfaces makes it all the more fun!.

▼ Supply List

- Small jar of soft gloss gel
 - Assortment of at least 8-12 or more black and white and color copies (laser only!) of favorite images (darker and sharp lines are better)
 - 1/2 sheet of 140 lb watercolor paper
- * Optional: Assortment of color and/or black & white photos, any size, if available (e.g., old vacation photos, landscapes, etc)
