

CLASS 1 Materials – Creating the Book

- **One used book:** Hback with spine that gapes, see image. No bigger than about 9" X 6" X 1.5". No smaller than about 6" X 4" X .5". (This is the base of your junk journal. We're going to rip it up and put it back together.) Think goodwill or estate sale find. If they are cheap, buy a couple.
- **Papers, Recycled, 2-3 inch stack:** *junk mail, brochures, maps, music books, comics, small paper bags, old greeting cards, magazine pages, postcards, envelopes, packaging, old gift wrap, old calendars, doilies, ephemera.* Don't include anything that you would be sad to lose. How much to bring? About a 2-3 inches stack – enough to dig through. Max size of sheets needed about 8.5X11. A good variety.

Other Supplies on First Class:

- Scissors (one pair)
- White glue, such as: PVA glue, Elmer's Glue-All, Aleene's Tacky Glue (NOT Elmer's School Glue)
- Ruler (my favorite is a plastic 12" T-square ruler)
- Sting/Twine (Several yards, for utilitarian use, not decorative)
- Binder Clips, 2", 2-4 qty
- (Optional) Glue sticks (2-3)
