#### Colors- Gouache

1. **Basic color pallet-** Its always best to learn how to make different colors by mixing the primary colors (37ml tubes).
  - **Cadmium Yellow Pale**
  - **Primary Red**
  - **Ultramarine blue**
  - Titanium White
2. **Extended Color pallet-** This is optional and the more versatile color pallet can be handy while painting instead of trying to make all the color (37ml tubes).
  - **Permanent Green Deep**
  - **Burnt Sienna**
  - **Prussian Blue**
  - **Ivory Black**

The best option in colors would be Winsor and Newton artist quality color. But You can buy any brand of color from a store that is convenient for you. Blick has some discount and if you can show your student registration they would give 10% off.
