

# Painting Narratives

## Materials List

Instructor: Anupam Singh

Multnomah Art Center

The materials for this course could range from color pencils, water color, oil paints or acrylic paints depending on student's preference of medium. It is recommended to buy the materials after discussing on the first day of class in case students need advice on buying materials. However, students could buy materials on their own from the following list:

It's always best to learn how to make different colors by mixing the primary colors. However, students can buy extended color shades if they want. The colors mentioned here are for suggestion and students can buy any brand and shades if they have preferences.

**Suggested store:** Dick Blick downtown or <https://www.dickblick.com>
