

# Call to Young Artists

SEE YOUR ART ON DISPLAY IN MULTNOMAH ARTS CENTER'S GALLERY!

If you have any artwork you created in a MAC Youth Visual Arts class that you are especially proud of and would like to share with our community, this is your opportunity! Please talk with your teacher or MAC's Youth Visual Arts Coordinator, Aimé Kelly, about participating in this awesome show!

**Submission deadline for 2D Work: April 8th**

**Submission deadline for 3D Work: April 21st**

**Note!** Each piece of artwork requires a completed submission form (available at the MAC office) and is due at the time of delivery. Please submit your best work. Gallery space is limited so we can only guarantee that one piece per student will be shown.
