Required

Portland Parks & Recreation uses ePACT to securely collect and manage critical emergency information for camps. Using ePACT replaces the need to fill out multiple paper forms, and ensures we have the most up-to-date and accurate contact and medical information in case of emergency. Expect to receive one email invite per child from ePACT. To avoid duplication, one parent/guardian (one email address) should accept the invites and complete the detailed emergency record for ALL family members. Please make sure we have a good email address on file for you. Please note: We cannot allow campers to participate if they do not have emergency information completed.

Communication

We email parents/guardians important camp information as necessary; please make sure we have a good email address on file for you.

Pick Up & Drop Off

Please list all individuals authorized to pick up your child in ePACT. Any other arrangements must be requested in writing and approved by a Program Coordinator.

SCHOLARSHIPS: Need-based scholarships are available to everyone who qualifies at MAC (including non-residents) thanks to additional non-profit support.
