

## **Drawing Fundamentals - Class Outline**

MAC: Fall 2021

Instructor: Eduardo Fernandez

### ***The Drawing Process***

- Internal dialogue, trigger words, focusing, shape consciousness.
- The Block-in: edit, simplify, and organize.
- Big picture thinking: composition, shapes and relationships.

### ***Proportion: Taking the Measure of Things***

- Sighting, midpoints, plumb & level and taking comparative measurements.
- Foreshortening.
- Playful spirit: Intensifying proportions.

### ***The Illusion of Depth***

- Sighting angles, drawing through, using eye levels and vanishing points.
- Tell a story: using the four ways to deepen space.
- Four ways to create depth without the formal rules of perspective: Overlapping forms,
- converging lines, softening edges & contrasts.

### ***The Illusion of Light***

- Analyzing the Light, Mapping, Modeling.
- Designing with light, Merging Shapes.
- Tell a story: Intensifying mood.

### ***Materials:***

Pencils: HB - 2B - 4B - 6B - 8B

Kneaded Eraser

Plastic Eraser ( white in color )

Drawing Pad 14" x17

Pencil Sharpener

### **Questions?**
